
Title: Longivity Potion

Author: Smogg Azalin

Instructions :

Take 3 drops of the
potion every full moon at
midnight.

Keep the potion next to
your bed at all times,
without the lid, along
with this book.

Informations:

The potion will stop aging
completely while it is
taken as instructed.

Failure to follow the
instructions just once
may disrupt the flow of
life force within you, and
render further use of
the longivity potion
without effect. Should
the potion lose effect,
the aging process will
pick up again. It will not
be possible to re-use the
old potion then. A new
potion would have to be
made.

It should also be noted
that the potion redirects
the flow of life force
within the user. While
under effect of
longivity potion, the
user will be unable to
have children.

Such is the nature of
the forces of life and
death.

Note that a
longivity potion is attuned
to one person when it is
created.

No other person will be
able to make use of this
potion.

Duration:

The duration of a
longivity potion depends on

the real age of the user,
the skills of the
alchemist who made it
and the strength of the
components used.

It can last anywhere
from a decade to
millinium.

Once the potion stops
having effect, the user
will begin to age as
normal again. From this
point the potion will be
useless. A stronger potion
would be needed to again
stop the aging process.

Racial Note:

This longevity potion is
intended for humans.

There are no records of
attempted longevity
potions for other races.
